## WEEKLY PROGRESS REPORT (20.11.2021 - 26.11.2021)

**Activity: 1** NAHEP-IDP-SKUAST-Jammu organized two guest lectures for the students on the themes “Nutrient Management in Protected Structure” and “Functions & Deficiency Symptoms of Secondary and Micronutrients”. The guest lectures were delivered by eminent soil scientists Dr. Narendra Kumar Sankhyan, Prof. & Head, Department of Soil Science and Dr. Pradeep Kumar, Principal Scientist, Department of Soil Science from HPKVV-Palampur, Himachal Pradesh. Dr. Sankhyan sensitized the students about the importance of greenhouse, crop cover under green house, plastic tunnel, plastic mulch, crop under the shade net house and nutrient management under protected cultivation. Dr. Pardeep Kumar highlighted the importance of micro & macro nutrients and their deficiency symptoms. The main objective of the lectures was to equip the students about National Eligibility Test-Junior Research Fellowship (NET-JRF). More than 40 students attended the lectures.
