Subject: Remedial classes for academically weak students & JRF coaching - reg

Sir,

NAHEP IDP SKUAST-Jammu intends to start remedial classes for academically weak under graduates as well as coaching classes for JRF in order to improve their academic proficiency as well as to make them professionally competent. The formulation of schedule of coaching classes is under way and shall be finalized after receipt of the applications from the students.

Keeping in view above stated intent as has been envisaged in the IDP project mandates, your goodself is requested to kindly direct all the HODs of different divisions of your faculty/school to motivate the students through their teaching staff to register for the remedial classes of academically weak courses for which they intend to get coaching besides registering for JRF classes. The Performa for registration is also annexed with this letter and the last date for receipt of the registration forms is 20-Dec-2021.

Dr. Vikas Tandon, Professor, School of Biotechnology (Associated Scientist NAHEP IDP), Dr. Jonali Devi, Prof., Division of Animal Physiology (Associated scientist NAHEP IDP project) and Dr. Manmohan Sharma, Assoc. Prof., School of Biotechnology (Associated scientist NAHEP IDP project) shall be the Co-ordinators of the above stated activities from FOA, FVSc and SBT, respectively.

Your kind support in this endeavor will not only help in enhancing the academic proficiency of the students but shall also improve university rating in its academic excellence.

With kind regards,

Yours faithfully

(Bhagwati C. Sharma)

CC:

- Director Education, SKUAST-J for his kind information
