# From the Desk of Hon'ble Vice Chancellor, SKUAST-Jammu

It gives me immense pleasure to welcome you all at the Agri Business Incubator, SKUAST-Jammu, a unit of Division of Agricultural Economics and Agri Business Management, located on the campus of Sher-e-Kashmir University of Agricultural Sciences & Technology of Jammu, Chatha. I am very pleased to share that this is the first state of the art agribusiness incubation centre among all universities in Jammu & Kashmir

I have confidence that this centre would provide the right innovation and entrepreneurship ecosystem for incubatees working in the field of Agriculture and allied sectors and usher in an era of entrepreneurial culture.

I appeal to all young innovative minds to take full advantage of Agri Business Incubator, SKUAST-Jammu and contribute to the development of agriculture and agribusiness sector of our country to make "Atma Nirbhar Bharat". I wish best of luck to all the incubatees and team members of the incubation centre.

Prof. J.P. Sharma Vice Chancellor, SKUAST-Jammu

## From the Desk of Head & P.I., Agri Business Incubator, SKUAST-Jammu

Division of Agricultural Economics and Agri Business Management, Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu is the first and only institution of Union Territory which has taken the initiative to award the MBA (Agri-Business Management) degree to meet the challenges posed by the global market in terms of growing agribusiness demand.

The division is credited to have the facility of establishment of Agri-entrepreneurs and start-ups as the institute is first of its kind to have Agri-Business incubation centre under RKVY-RAFTAAR project of Gol. Agri Business Incubator, SKUAST-Jammu for launching of two programmes under the name of UDGAM (Agripreneurship Orientation Programme) and PRAGATI (Seed Stage Funding) with objective to impart training and help the young innovative professionals to establish their own startups which with the efforts of expert team/mentors will help to further improve the proposal for funding within the norms by Gol.

Prof. Jyoti Kachroo, Head, AEABM & Principal Investigator, Agri Business Incubator, SKUAST-Jammu

## **INTRODUCTION**

SKUAST-J is a multi-campus university with its headquarter located at Chatha, Jammu that came into existence on 20th September, 1999. SKUAST-Jammu is striving to achieve high standards of excellence in education, research and extension for the betterment of farming community of the region. There are Eight Research Stations/Sub-Stations and seven KVKs in the University which are located in different agro-climatic zones of Jammu region for catering the location-specific needs of the farming community.

### VISION

Agri Business Incubator, SKUAST-J is having a sole vision to build and sustain a unique incubation centre of international standards capable of churning out a new class of devoted Agripreneurs and Agribusiness managers kindled with fire and competence to serve the nation devoutly in a climate that fosters personal and group creativity and excellence.

### **MISSION**

Nurturing Young Agri-Business Professionals for Evergreen Growth.

### **MILESTONE ACTIVITIES**

- 1. Constituted the RKVY Incubation Committee (RIC) on 20th May 2019.
- 2. Identification and approval for purchases of the various need based items under the specified sanctioned budget head and issuance of supply orders through GeM Portal. Finalization of draft of the program under the project and uploaded on the website.
- 3. Procedural finalization and advertisement for recruitment of various contractual positions sanctioned in the Project.
- 4. Wide publicity of the programme through print and electronic media.
- Webinar/ interaction through skype to incubates were also conducted during the training program
- 6. Resource persons from Gujarat, Pune, and Chandigarh delivered the lectures, shared their experiences and interacted.

#### Mentoring Sessions

Technical	Business & Marketing Management	IPR	Industry	
30	6	2	10	

# AWARENESS AND BOOTCAMP

# Live interview with Channel One and Early Post News Channels

# Live interview with The Straight Line News Channel in Regional Language

Visited Central University of Jammu for the wider publicity of the programmes

# FIRST RIC OF AGRI BUSINESS INCUBATOR, SKUAST-JAMMU

Dr. Jyoti Kachroo organised the first RIC Meeting, which was held on 02.09.2019. The committee was constituted by the experts from academics/research as well as industrial sector. A total of 33 applications were received under the both programmes. After the detailed presentation given by the applicants, only eight candidates were selected i.e. five under UDGAM: Agripreneurship Orientation Programme and three under PRAGATI: Seed Stage Funding. They were imparted with the required theoretical as well as practical knowledge during the two months training programme.

## **INAUGURAL CEREMONY 2019-20**

Prof. Jyoti Kachroo, Head AEABM and P.I Agri Business Incubator, SKUAST-Jammu inaugurating the two months training programme for the incubates under UDGAM (Agripreneurship Orientation Programme) and PRAGATI (Seed Stage Funding Programme).

# TRAINING AND FIELD EXPOSURE

Dr. Sudha Mysore, CEO- Agrinnovate, interacted with the incubates and talked about the recent innovations in the field of agriculture sector

Agri Business Incubator organised Industrial Visit for the Incubates in order to make them aware with the working and management of industries operational in the agriculture and allied

Using MVP in Fields of Integrated Farming System on Trial Basis under the mentorship of Dr. Dileep Kachroo, Chief Scientist and Head, FSR Centre, SKUAST-Jammu.

Incubates visited Integrated Farming System and interacted with Dr. Dileep Kachroo, Chief Scientist &

Agri Business Incubator, SKUAST-Jammu approached to various persons for mentorship to various incubates as per their requirement.

For Seed Stage Funding i.e. PRAGATI

Name of incubatee	Name of mentor
Mr. Nikky Kumar Jha	Mr. Jagdeesh Suknad Serial Innovator
Mr. Bhavishya Devgan	Dr. Dileep Kachroo Chief Scientist, FSRC, SKUAST-J

For Agripreneurship Orentation Programme i.e. UDGAM

Name of incubatee	Name of mentor
Ms. Payal Sharma	Mr.P.P.Sachdev
	Shalimar Cattle Feed
Mr. Dhruv Bhandari	Mr. Sikander Abbas
	Advance Fish Farms, Meerut
Mr.Vijay Kumar	Mr. Nikhil Panchal
	M/s Right Info Service, Gujarat
Mr. Vivek Sharma	Dr. Sanjeev Shukla
	SKUAST-Jammu

# VALEDICTORY FUNCTION

Two months training programme was organised for the incubates. The training schedule was well-structured with an aim to prepare them in their respective fields and to make them aware about the current industrial and market scenario.

# SECOND RIC EVALUATION MEETING

Second RIC evaluation meeting was held on 25-11-219 in which five incubates under UDGAM and three incubates under PRAGATI were evaluated on the basis of their milestones achievements and overall progress made in their respective start-ups.

## **KNOWLEDGE PARTNER**

A visit was planned to attend the mentoring and handholding meeting at the Sher-e-Kashmir University of Agricultural Sciences and Technology of Jammu under RKAVY-RAFTAAR project scheduled from 1-2 July, 2019. Mr. Rajneesh Kumar (COO, PKI) represented Pusa Krishi Incubator. He also conducted Beej Boot camp for the student and staff at the university and IIM Jammu.

## **COLLABORATIONS**

- 1. Pusa Krishi Incubator, IARI, New Delhi
- 2. Various constituent Units/Faculties/ Divisions / Centres within the University.
- 3. Division of Microbiology
- 4. Division of Soil Science and Agricultural Chemistry
- 5. Farming System Research Centre
- 6. Division of Plant Breeding & Genetics Shalimar Cattle Feed, Jammu

# **OUR INCUBATES (2019)**

## List of selected incubatees for UDGAM – AGRIPRENEURSHIP ORIENTATION PROGRAMME

S. No.	Name of Applicants	Focus Area	Concept
1.	Ms. Payal Sharma D/o Sh. Ashwani Sharma, R/o H.No. 51, New Rehari near MCJ Park, Jammu	Waste management	To convert floral waste agricultural waste and even domestic waste into useful products like incense sticks,
2.	Mr. Vivek Sharma S/o Sub. Ashok Kumar Sharma, R/o Vill. Ramnagar, PO: Keerian Gandlyal, Teh. & Dist.: Kathua (J&K)	High quality seed / seedlings	essential oils etc. Vatika Agri Services (Beej sey Baazar Tak) With an aim to increase the overall income of farmers
3.	Mr. Vijay Kumar S/o Sh. Dharam Paul R/o V.P.O. Salehar, Teh. Bishnah, Jammu – 181111	E-trade	To start e-trades in rural market
4.	Mr. Kuldeep Dhaliwal S/o Sh. Raja Ram, R/o Chakki Mohila, Chhot, Kaithai, Haryana – 136027	Organic manure	To convert crop wastage into organic manure and change it into liquid form
5.	Mr. Dhruv Bhandari S/o Vipan Bhandari R/o 175, Resham Ghar Colony, near Municipal Park (J&K)	Aquaculture	To establish Bio-floc system for fish farming

# List of selected incubatees for PRAGATI: SEED STAGE FUNDING

S.	Name of Applicants	Name of	Concept
No.		company	
1.	Mr. Naushad Ali R/o H.No. 272, Sec-48, near CIA office NIT, Faridabad, Haryana – 121001	Haali Agro foods Industry	To provide a adulteration free edible oil
2.	Mr. Nikky Kumar Jha S/o Sh. Sunil Kumar Jha R/o H.No. 172, Naya Tola Dudhella, Aldorpur, NathNagar, Bhagalpur, Bihar – 812004	Saptkrishi Scientific Pvt. Ltd.	To develop a minimum viable product termed as 'Sabzikothi' (chamber of vegetables), a storage which comprises of a device to extend the shelf life of Horticultural products
3.	Mr. Bhavishya Devgun R/o 846, Joshi Lane, Karol Bhag, New Delhi - 110005	Salutem Tiogear Apparuas Pvt. Ltd.	To develop new material based nano technology which makes plants retain water upto 300 % for later use in case of scarcity

#### **AWARDS AND RECOGNITION**

Mr. Kuldeep Dhaliwal, an incubate under UDGAM (Agripreneurship Orientaion Programme) received Appreciation Certificate from District Administration, Kaithal, Haryana.

Mr. Nikky Kumar Jha, an incubate under PRAGATI (Seed Stage Funding Programme) received Certificate of Achievement for the innovation at International Innovation Fair 2019.

# Webinar organised on 29-07-2020

Preservator/Sabjikothi is a wheel mountable storage for ortation of fresh fruits and vegetable

It is a cost-effective, IOT Enabled, microclimate based, portable storage that extend the shelf-life and preserve the freshness of fruits and vegetables anywhere between 5 to 30 days.

The entire setup can be unloaded from wheels, and can doubly acts as on-field & on-market storage. It requires only 10 watts of power and 1 litre of water and has battery backup of a day and is powered by solar energy.

USP of the Technology

Entire setup can be assembled on any suitable means of transportation (E-rickshaw, mini-truck etc.)

It can transport contamination-free fruits and vegetables from field to market without any water loss and decay.

It is one of its kind solution that doesn't require cooling neither chemical and is a completely green solution.

**PAYAL SHARMA** Startup Name Jkaromatics And Herbs LLP Product Name: Jkaromatics And Herbs Focus Area: UDGAM Waste Management Under the project RKVY-RAFTAAR Sponsored by Ministry of Agriculture & Farmers' Welfare, GOI

Providing ultimate solution for the problem of flowers being accumulated at temple premises & other places.

Flowers waste is used to create natural and sustainable products such as natural incense, rapid compost and chemical free soaps.

The products are made from sacred flowers from the mosques which otherwise would have been dumped into rivers or landfills which leads to significant pollution.

USP of the Technology The products are totally chemical free & Charcoal free.

Women employment ensuring financial inclusion of poor local women. Meeting sustainable environment goals to save mother earth from pollution.

Using temple waste to repurpose it into different products will result in reduced arsenic /lead /cadmium leaching in the ground & river water.

The start-up has developed an Organic spray fluid by extracts from organic products.

The product is alternative to harmful pesticides and fungicides on all Agriculture and Horticulture produce.

Economical as Farmers will save 50% on Agriculture Inputs cost.

USP of the Technology

Organic so it's safe for plants and farmers too.

Used in minimal quantity such as 0.2% per liter.

As per the feedback of trials production has increased by 15 to 20 % averagely.

**VIVEK SHARMA** 

Agri Business Incubator, SKUAST-Jammu on of Agricultural Economics & Agri Business Management -Kashmir University of Agricultural Sciences & Technology of Jan

Startup Name: Vaatika Agro Services Product Name: High Quality seeds/seedlings Focus Area: UDGAM Horticulture Under the project RKVY-RAFTAAR ed by Ministry of Agriculture & Farmers' Welfare, GOI

Vaatika Agro Services provides quality seedlings of vegetables and other cash crops to farmers throughout the year.

Providing quality seeds/ seedlings to the farmers at lower prices.

The start-up grows and develops seedlings in soil less media (cocopeat, vermicompost etc) which are disease free.

#### USP of the Technology

Early and off season seedlings can be raised in protected

Round the year production of seedlings to meet the demand of

Quality seeds and seedlings are the foundation stones for good

Incubated at: Agri Business Incubator, SKUAST-Jammu of Agricultural Economics & Agri Business Manage ashmir University of Agricultural Sciences & Techno
