

A Team of Scientists Comprised Dr. BC Sharma, Dr. Vikas Sharma Dr. Vishal Gupta from SKUAST-Jammu IDP visited Shalimar campus of SKUAST-Kashmir from 08 to 10 November, 2021 to get acquainted with the activities of IDP SKUAST-Kashmir. The team visited the various facilities created under the IDP project functional at SKUAST-Kashmir. A first-hand information was gathered regarding these facilities which included Virtual Classroom, Smart Classrooms, Geospatial Lab, Library reading room, electronic boards, etc. After the visit a meeting was held with the core team of IDP SKUAST-Kashmir, including their Project Coordinator Dr. Nazir A Ganai, wherein the modalities of execution of the project were discussed. The IDP team of SKUAST K shared their experiences as well as the activities that they had carried out during the course of the Project. A lot of emphasis was laid on grooming of students, building in them the confidence to bring out new ideas and developing them as skilled and competent individuals.
