

Resume

Prof. R. K SALGOTRA, Ph.D.

Prof. & Coordinator, School of Biotechnology

Faculty of Agriculture,

Sher-E-Kashmir University of Agricultural Sciences and Technology-Jammu,
Chattha, Jammu 180 009,Jammu and Kashmir, INDIA

E-MAIL: romeshkmr3@gmail.com; rks_2959@rediffmail.com

Research Interests: Plant genomics and integration of genomic tools in crop improvement. Molecular breeding for development of crop varieties resistance to biotic and abiotic stresses

SUMMARY

- Research experience in Plant Genomics and Molecular Breeding in rice including Basmati rice, QTL mapping in rice and common bean crops, and Metagenomic approaches for Microbial Characterization of Rhizobacteria.
- Development of rice crop varieties, including Basmati rice for biotic and abiotic stress resistance
- Molecular characterization and Registration germplasm of the region to National Gene Banks and PPV&FR, Filing of Products under Geographical Indications (GIs).
- Administrative Experience as Incharge, Advanced Centre for Rainfed Agriculture (ACRA), SKUAST-Jammu; Incharge, Pulse Research Sub-Station, SKUAST-Jammu; Nodal Officer, SKUAST-J IPR Cell; Coordinator, School of Biotechnology 2012 to till date; Member of various Statutory, Research and Academic bodies.
- Teaching and Research Experience of more than 22 years, Advising PhD and MSc students.
- Visiting Professor, Louisiana State University, USA; Visiting Professor, Queensland University, Brisbane, Australia; Visiting Professor, Louisiana State University, USA; Visiting Scholar, University of Tennessee, TN, USA

EDUCATION

- **Post-doctorate** under the BOYSCAST Fellowship of DST, University of Tennessee, TN, USA.
- **Norman E Borlaug Fellowship** under USDA, Louisiana State University, USA
- **Ph.D. Genetics and Plant Breeding**, CSK HPKV, Palampur, India.
- **M.Sc. (Agri) Genetics and Plant Breeding**, CSK HPKV, Palampur, India.
- **B.Sc. Agriculture**, CSK HPKV, Palampur, India.
Major: Crop Improvement

PROJECTS/GRANTS

- R & D Centre of basmati rice to enhance the export potential in Jammu region.
- DBT sponsored programme for M.Sc. Biotechnology at School of

Biotechnology, SKUAST-Jammu.

- Funds for Improvement of S&T Infrastructure in Universities and Higher Educational Institutions (FIST)
- Strengthening Institutional Capacities for Delivering Competent Skilled Professionals (Institutional Development Plan of SKUAST-Jammu). NAHEP, ICAR.
- Development of Molecular Laboratory for analysis of Purity of Germplasm of Basmati Rice and Other Seeds
- Development of semi-dwarf blast and bacterial blight resistant version of Ranbir Basmati by marker assisted backcross breeding

International

- Identification of causal SNPs in promoter sequence of Co-5 and development of functional gene-based markers for anthracnose resistance in common bean (*Phaseolus vulgaris* L.) (DST India-Mexico Programme)
- Identification and characterisation of phytosulfokine receptor kinase gene family of rice vis-à-vis *Arabidopsis* and elucidating its role in abiotic stress tolerance (DBT South Asian University)
