

<b>Faculty Profile Information</b>	
Name	<b>Dr. S. E.H. Rizvi</b>
Designation	<b>Professor (Statistics)</b>
Contact Address	Division of Statistics & Computer Science, Faculty of Basic Sciences, SKUAST-J, Main Campus, Chatha, Jammu(J&K)-180009
E Mail	<b>sehrizvi_stats@yahoo.co.in</b>
Mobile	<b>09419138953</b>
Awards/honours/scholarships/fellowships	U.P. State merit scholarship
Area of Specialization	-Sampling Theory ( Optimum Stratification) -Applied Statistics -Statistical Modeling
Research Interests	Sampling Theory
Total no. of publications	<b>22</b>
Selected publications	<b>Rizvi, S.E.H.;</b> Gupta, J.P. and Singh, R.(2000) “Approximately optimum stratification for two study variables using auxiliary information, <i>J. Indian Soc. Ag. Stat.</i> , Vol. 53, No.3, 287-298. <b>Rizvi, S.E.H.;</b> Gupta, J.P. and Bhargava, M. (2002) “Optimum stratification based on auxiliary for compromise allocation, <i>Metron</i> , Vol. LX, No.3-4,201-215. <b>Rizvi, S.E.H.;</b> Gupta, J.P. and Bhargava, M. (2004) “Effect of optimum stratification on sampling with varying probabilities under proportional allocation, <i>Statistica, anno</i> , No.4, 721-733. Verma, M.R. and <b>Rizvi, S.E.H.</b> (2007) “Optimum stratification for PPS sampling using auxiliary information, <i>J. Indian Soc. Ag. Stat.</i> Vol. 61, No.1, 66-76. Manish Sharma, <b>S.E.H. Rizvi</b> and Sharad Bhatnagar (2009). On some improved product type estimator, <i>Journal of Current Science</i> , 14(1): 385-389.
No. of Books/manuals/monographs	one
Research Project as PI/Nodal Officer	02
Other achievements	Associated with various assignments of the university as assigned by the administration.
